Subject: Extension for Revising Notice of Intention to Commence Large Mining Operations, Uintah County Road Department, Asphalt Ridge Mine, M0470022, Uintah County, Utah

Dear Mr. Johnson:

On November 6, 2007, the Division received a verbal request from Tammy Ferguson to extend the deadline by an additional 60 days to submit a revised Notice of Intention to Commence Large Mining Operations. We understand the County has been researching past reclamation and operating agreements and that additional time is needed for developing a grading plan.

The Division grants the additional time as requested. The deadline is now January 25, 2008. If you are unable to meet this deadline, please provide a timetable for completing the project.

Thank you for your cooperation.

Sincerely,

Susan M. White
